Q.No.46-55. In the following passage, there are blanks each of which has been numbered.

Against each number, four words are suggested find out the appropriate word in each case. A rich land owner was on his deathbed, gasping for breath. He told his three sons to dig under his bed when he was gone, and he died. Some days

later, the sons dug at the spot and unearthed three pots, (46) one above the other. The first pot contained mud, the middle contained dried cow dung and the (47) pot contained straw. Below this pot three was a silver coin. The brothers were puzzled. "Obviously, father meant to (48) some message to us through the pots and their contents, said the eldest brother. They (49) for a while but (50) of them could come up with an explanation. Finally they decided to (51) their doctor, who was also a family friend. The doctor laughed when he, heard about their problem. 'Your father loved puzzles,' he said, 'The interpretation is simple. The topmost pot contains mud you say, that (52) he wants his eldest son to have his fields. The second pot contains cow dung. It means he wants his second son to have his (53) of cattle. The last pot contains straw. Straw is golden coloured that means he wants his youngest so to have all his gold.' The brothers were happy with the way their father had divided his wealth and appreciated the doctor's (54). 'The silver coin at the bottom of the pots? What does it mean?' asked the youngest brother. 'Your father knew you would come to consult me,' smiled the doctor, 'The coin is my (55).

46. A) only                      B) stand                      C) stood                      **D) placed**
